

# Pillage the Kingdom

## Schedule Document

### Milestones:

- **Alpha build:**
  - Group due date: 16<sup>th</sup> October.
  - Actual due date: 12:10pm 18<sup>th</sup> October.
- **Beta build:**
  - Group due date: 23<sup>rd</sup> October.
- **Gold build:**
  - Group due date: 30<sup>th</sup> October.
  - Actual due date: 12:00pm 1<sup>st</sup> November

Note: The group due date is placed on Mondays so that the group can review the current state of the project on Tuesday before the actual due dates.

### Meeting dates:

- Tuesdays: Review meeting, before the start of each iteration.
- Wednesdays: In class (and after), development of the project as a group.
- Thursdays: Just in case any of the meetings fall through.
- Fridays: In class (and after), development of the project as a group.

### Work Load:

Using a scrum, the team will issue the tasks for the each iteration at the review meeting on Tuesday. An up to date task list is on Trello:
